

REMARKS

The above amendment is made to re-insert the reference to the provisional application from which benefit is claimed. This reference was originally submitted within the appropriate time period, i.e. on May 2, 2002. However, upon submission of the substitute specification with the response of May 3, 2005, the reference was inadvertently not included. As such, this amendment simply adds back the reference to the provisional application.

Respectfully submitted,

Alfred SCHAUFLE
